Communauto Alberta

Welcome

CALGARY

Thursday, August 27th 2020

———

Canadian company with a social, urban and environmental mission.

Communauto Inc.

ABOUT US

Communauto is proud to announce the launch of its service in Calgary. Starting with 150 new 5-doors cars we wish to help Calgarians get where they need to be, as a complement to transit and active mobility.

Calgary is part of the larger Communauto network serving 14 communities in Canada.

Founded in 1994, is the largest carsharing operator in Canada, and the oldest in America. The resulting synergies benefit not only Calgarians, but all Communauto members: from Halifax to Calgary, and also those in Paris, France.

Communauto team members from local communities and across the country work together to deliver Communauto's carsharing service.
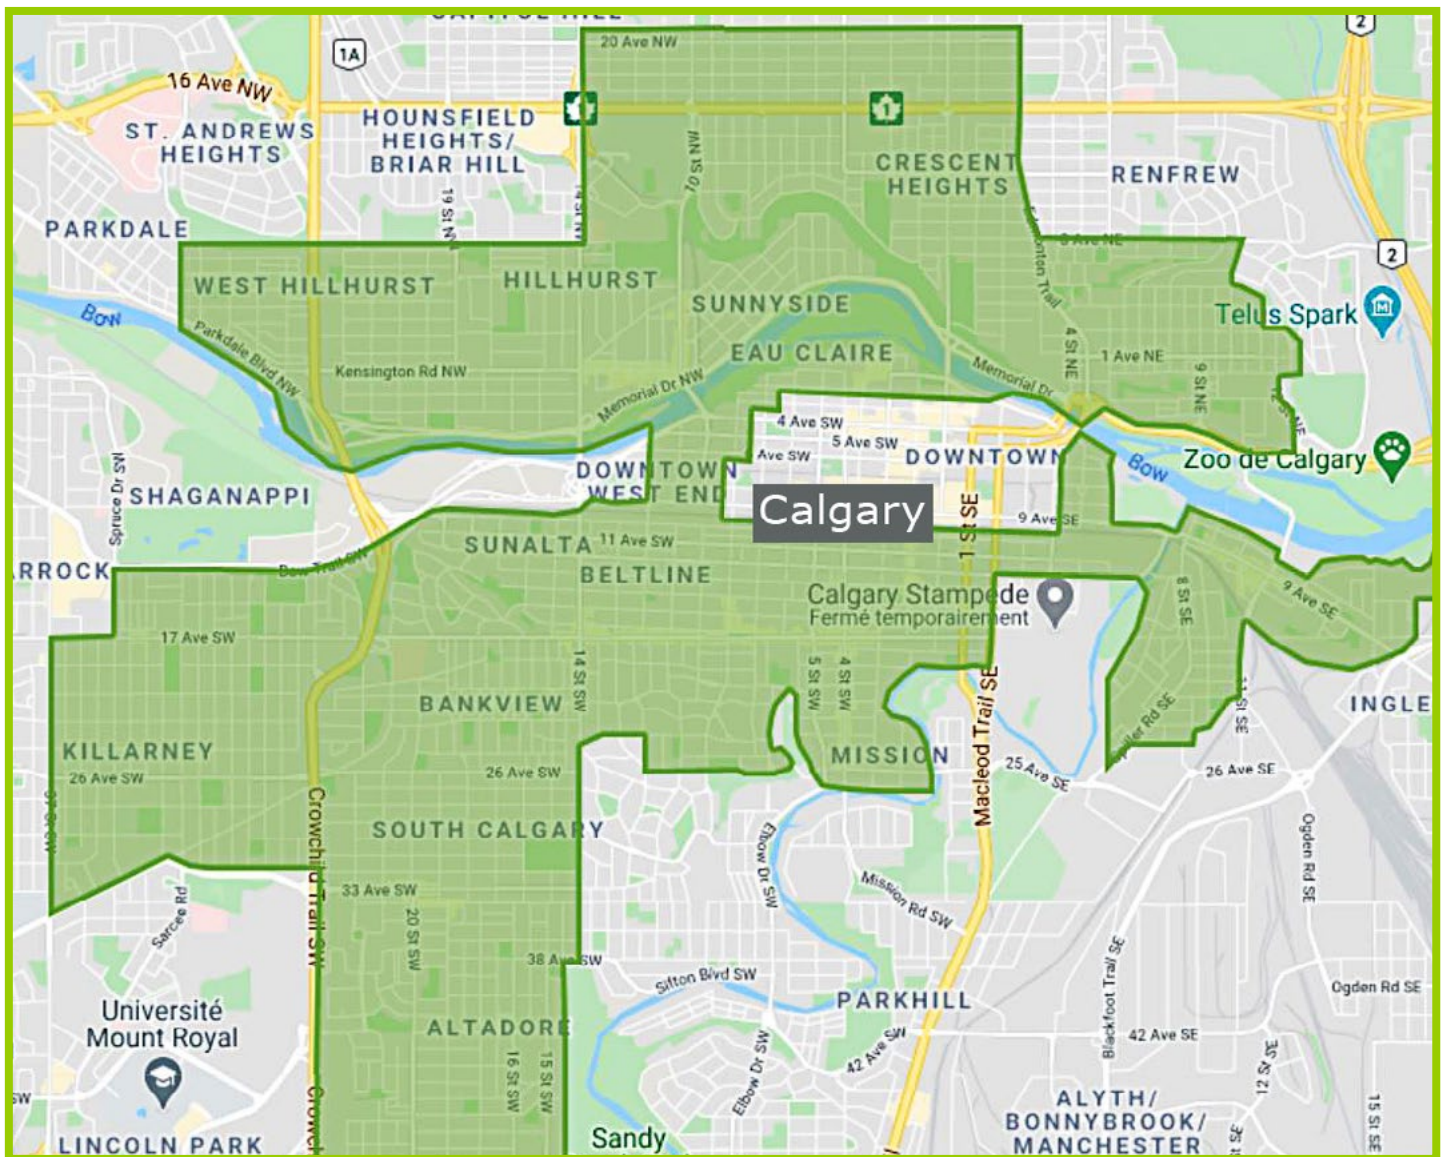

Happy carsharing!
